

# Day 1 – Home work

Online, April 2021

Andreas Kannen, Kira Gee

## Homework: MSP in your country / region / area

- What types of sea use are ongoing in your country/region/area?
- Why is or could MSP be useful?
- Does MSP exist (or parts of it)?
- What are or could be its aims? What would MSP need to regulate in your area?
- Do other forms of marine management exist?
- Which conflicts exist in the area or which conflicts do you expect when starting MSP?
- Who are or could be the relevant authorities for MSP?
  
- *Identify an area, define the area or take an existing area definition*
- *Describe the area along the above lines, prepare a presentation for Tuesday*
